

100% SATISFACTION GUARANTEED

We are a Heating/Cooling company that specializes in heating, air-conditioning and indoor air quality for the comfort and safety of you, your family, and home. Our repair service is fast, affordable and professionally guaranteed. We comply with all local codes and building guidelines.

**COMFORT AND PEACE OF MIND**

**Priority Service**

In the unlikely event you have a problem, you'll always get top-priority service.

**Improve Reliability & Function**

Our Service & Savings Plan improves your systems reliability by finding & correcting small problems before they become BIG problems.

**Reduce Compressor Failures**

Electrical components wear out over time. Research shows that 80% of all air conditioning compressor failures could be eliminated if the problem that led to the damage was found & corrected in a timely manner.

**Reduce Repairs**

A routine inspection of electrical controls and refrigerant components could save you hundreds of dollars in needless repairs.

**Protect Health**

To reduce airborne allergens and address other indoor health concerns: Repair ductwork leaks • Maintain air filtration system • Thoroughly clean evaporator coil & drain pan

**Enhance System Life**

Proper preventive maintenance could extend the life of your HVAC system by 20% or more.

*Stark Mechanical Service, LLC strives to provide the highest level of service with a focus on earning referrals from our satisfied clients. All of our technicians are tested and certified. Your technician will be professional and qualified to work on your equipment. We will provide you with a written quote for repairs before we start any work.*

**IAQ**
